The Women's Cottage

BLUSH

Same Sex Attracted
Women's support group

What does it mean to be same-sex attracted?

Being same-sex attracted is when you are emotionally, physically and sexually attracted towards someone of the same sex. You may identify as gay, lesbian, bisexual, transgender, intersex, queer (GLBTIQ) or choose not to be labeled.

People can be attracted to the opposite, same or both sexes and there is nothing wrong with that.

Bi Lesbian United Sisters of Hawkesbury Meets on the last Friday of the Month.

Activities include;

An annual Car Rally

Guest Speakers

BBQ's

Dinners

Social evenings

Parents & Friends

Parents and Friends of Lesbians and Gays (PFLAG) is a support service that provides support to those seeking to gain some understanding and acceptance of their family

member's and/or friends

homosexuality. pflagaustralia.org.au

Homophobia

What is homophobia?

Homophobia is any action, attitude, or behavior that discriminates against or unfairly limits same-sex attracted people because of their sexuality.

The Women's Cottage is a safe place where you can have a chat with friendly staff and access some information and services that may be useful to you.
